Schedule 2 to Certificate of Approval

Number: CASA.COA.0484 Revision: 5

Reference Number: 1-145HFZ

Approved activities set out in Schedule 1 are subject to the following conditions:

1. The Reference Number must be used when the Civil Aviation Regulations 1988, the Civil Aviation Safety Regulations 1998, or an instrument made under any of these regulations requires a CASA reference number to be included in a Form or other document, for the purpose of the regulations or the instrument.

Note: The Reference Number is the certificate holder's original or "legacy" reference number to be used and cited as it has previously been used or cited.

2. All maintenance carried out at temporary locations must be carried out in accordance with the provisions of chapter 1.7 of the JETFIX AIRCRAFT MAINTENANCE PTY LTD Procedures Manual. Proposed changes to chapter 1.7 must be accepted by CASA in writing before being implemented.
3. Maintenance of aircraft airframe components, engine and engine components is limited to those components eligible to be fitted to those aircraft listed under Schedule 1 item 1 Maintenance of Aircraft.
